**To:** 2016-12-18

[illegible]

Borno State	9	0	0	0	0	0	0	58	0	6	0	0	0	0	0	0
-------------	---	---	---	---	---	---	---	----	---	---	---	---	---	---	---	---

<sup>1</sup> e.g.Lassa fever

<sup>2</sup> Infectious, zoonotic, food borne, chemical, radio nuclear or due unknown condition, etc...

**Note**

This table is generated automatically from EWARS Nigeria. It is designed to replicate the IDSR002 Excel Sheet submitted each week at State level. EWARS Nigeria has been deployed since September 2016 in response to the humanitarian crisis in North-Eastern Nigeria. It is supporting MoH and partners to strengthen mortality and disease surveillance. <http://ng.ewars.ws/login>
